CL1146	Cedar	Bakewell	Retractable 6'6"	7'0"	£350.00	Base Coat Stain	Damaged	1
--------	-------	----------	------------------	------	---------	-----------------	---------	---

Intro.Cedar Bakewell 6'6" x 7'0" Retractable with Wicket Door.

Desc.A chance to purchase a timber up and over garage door with a pedestrian door built in. This door was a display door and has some minor damage to the face as shown in the images which can easily be filled and decorated over. The pedestrian door is supplied with a Yale lock already fitted and this door opens outwards. The main door does not have a handle hole drilled and would be best suited just having the internal slam latches for locking with the opening of the whole door when required made by opening from inside only. The door will require a timber sub frame with internal dimensions of 1985mm wide and 2134mm high and be at least 60mm wide to take the retractable operating gear the door operates on. The door is in a base coat stain for final on site finishing by others.

CL1151	Hormann	2004 Georgian	Canopy Framed	6'10"	6'4"	£245.00	White powdercoat	Damaged	1

CL1268	Seceuroglide	Seceuroglide roller door	Roller Shutter	2310	2150	£550.00	Golden Oak	New	1
--------	--------------	--------------------------	----------------	------	------	---------	------------	-----	---

Intro.Golden Oak woodgrain finished insulated roller garage door with remote control operation and manual override internally. Picture shown is a library photograph

Desc.Golden Oak woodgrain finished insulated roller garage door with remote control operation and manual override internally. The sizes are the overall width including the guides so the ideal opening width would be 2160mm wide for this door. The total height with the roll is 2450mm. This is a brand new door ordered incorrectly for a job. There are 2 of these doors in stock for a matching pair if you have a twin garage although the other door (CL1269) is very slightly different in the width by 15mm This door

if installing behind the opening is for an opening size of 2160mm wide and a height of 2150 although being a roller door there is flexibility in this sizing. Retail price £1,744 inc. VAT per door

Intro.A Golden Oak woodgrain finished insulated roller garage door with remote control operation and manual override internally
Picture shown is a library photo

Desc.A Golden Oak woodgrain finished insulated roller garage door with remote control operation and manual override internally.
Sizes given are overall width including guides. Opening size is 2175mm wide. Height is 2150mm plus the endplates and roll
(300mm) giving total height of 2450mm This roller door is for an ideal opening of 2175mm wide and 2150mm high although
flexibility in sizing is possible. Left hand motor (looking from inside) and 2 transmitters supplied with internal manual override.
Retail price £1745 inc. VAT

CL1294	Hormann	Rollmatic	Roller Shutter	2650	2270	£990.00	Black powdercoat	New	1
--------	---------	-----------	----------------	------	------	---------	------------------	-----	---

Intro.Brand new insulated roller shutter garage door

Desc.RRP £1,546 : Our Price £990 The Rollmatic insulated aluminium roller garage door from Hormann is a revolution in roller doors as it operates very much in principal like a sectional garage door. The balance of the door curtain weight is achieved by a vertically mounted spring to one side with a motor driving the curtain barrel on the other. It is simple, safe and very smooth with the easiest of manual override systems for this type of roller shutter. The Rollmatic is an aluminium roller shutter garage door constructed from the very highest quality double skinned aluminium foam filled slats to produce a very strong, smooth finish curtain that is always purpose made to suit the garage opening perfectly. It is remote control electric operated as standard with control of the door using any of the enormous range of current Hormann control accessories. Standard operation is with 2 remote control handsets and an internal pushbutton on the control panel with integrated light. All the Hormann control accessories for garage doors and gates can also be added if required to the Hormann Rollmatic giving total flexibility on how you specify and

operate the door. [More about Rollmatic >](#)

CL1299	Cardale	Gemini	Retractable Framed	2018	2135	£350.00	White	New	1
--------	---------	--------	-----------------------	------	------	---------	-------	-----	---

Intro.

Desc.RRP £750 : Our Price £350 Cardale Gemini Steel Up and Over Garage Doors are available in a White Plastisol finish and a Woodgrain Laminate finish in either Weathergrain Golden Oak or Weathergrain Rosewood. These doors are low maintenance and give a high quality finish.

CL1302	Garador	Sherwood	Canopy	7'0"	6'6"	£350.00	Rosewood	New	1
--------	---------	----------	--------	------	------	---------	----------	-----	---

Intro.

Desc.RRP £609 : Our Price £350 This Garador Sherwood is a brand new garage door in the 7'0" x 6'6" size. Still in its packaging, this garage door has been untouched. Single canopy door mechanism is contained within the door frame with no horizontal tracks protruding into the garage space. When opened, the door forms a 'canopy' with roughly one third of the door outside the garage. Single retractable doors open along the horizontal tracks inside the garage and travel back into the garage space when opened. Retractable garage doors are ideal for automation.

CL1303	Garador	Stamford	Other	7'0"	7'0"	£690.00	White	New	1
--------	---------	----------	-------	------	------	---------	-------	-----	---

Intro.

Desc.RRP £1,461 : Our Price £650 The Garador Stamford is a GRP up and over garage door with a fake, non-transparent window section. This door is brand new and still in its original wrapping. It is in a pure white colour and installed with a retractable plus gear allowing for a wider drive-through width. Garador Stamford GRP up and over garage doors are finished in high white gloss and are virtually maintenance free. GRP Doors are provided as standard with a flow-coat to the inside face for a smoother finish and reduced translucency.

CL1304	Hormann	Georgian	Canopy Framed	6'10"	6'4"	£250.00	White	New	1
--------	---------	----------	---------------	-------	------	---------	-------	-----	---

Intro.

Desc.RRP £694 : Our Price £250 Note: Stock photo shown - Not actual door The Hormann 2004 Georgian panelled door has been completely redesigned recently with deeper panels and increased detail around each panel. The classic look is now even better - this is a good looking door panel design. The panels are always perfectly evenly spaced whatever the width of door ordered. Compare this panel in detail with other makes and you will see the difference in the quality. The steel used is one of the thickest guages on the market ensuring maximum resistance to any accidental knocks. The door panel is galvanised steel both sides and factory pre finished in white (RAL 9016) using a powdercoat process that requires no further painting. The standard handle is black nylon with europrofile cylinder locking and 2 point internal locking.

CLGDC0001	Cedar	Edale	Retractable	2460	2230	£1,100.00	Black powdercoat	New	2
-----------	-------	-------	-------------	------	------	-----------	------------------	-----	---

Intro.

Desc.RRP £1,929 : Our Price £1,100 Size: 8'0" x 7'0" This Cedar Edale up and over garage door is wrapped, however the polythene has been cut to allow for previous fitting. This door has been fitted before with holes in the rear of the door where it has been fitted. This door is not damaged and remains in fantastic condition. The Cedar Edale is and up and over garage door but has been designed to resemble a pair of traditional top glazed doors and will compliment the more traditional built house. The door has an outer solid frame housing vertically tongue and grooved boards in the lower section of the door which are glue bonded to the rear solid cross rails of the door, all doors are supplied basecoat treated as standard.

CLGDC0002	Hormann	Vertical	Retractable Framed	7'6"	7'0"	£195.00	Vandyke Brown	New	1
-----------	---------	----------	--------------------	------	------	---------	---------------	-----	---

Intro.

Desc.RRP £739 : Our Price £195 This Hormann Vertical up and over garage door is partially damaged. It has tape markings to the face of the door and a slight rub mark on the head of the frame. This does not affect the way the door operates and the safety and security it provides meaning it is still a bargain. The Hormann 2001 Vertical ribbed steel garage door has a timeless design to blend in with most properties. The vertical ribbed design is visually the same at all sizes offering subtle elegance in the standard white finish or any of the optional powdercoat colours. The door panel is galvanised steel both sides and factory pre finished using

a powdercoat process that requires no further painting.

CLGDC0003 Hormann	Horizontal Decograin	Canopy	7'0"	7'0"	£250.00	Golden Oak	New	1
-------------------	-------------------------	--------	------	------	---------	---------------	-----	---

Intro.Brand new door

Desc.RRP £583 : Our Price £250 This Hormann Horizontal in Decograin Golden Oak is a brand new garage door. It has no damage and is available at a very reasonable price. The Horizontal Decograin door has the appearance of timber, but without the maintenance that timber requires. Saving you alot of hardwork. The Decograin garage door has a UV-resistant synthetic foil coating on the outer face of the door leaf. This door also has a special surface protection which preserves the appearance of the door.

This door has a handle fitted already which makes it ideal for manual operation. Should you require electric operation we have included upgrade details on the specification tab of this page. Please note that when upgrading

a canopy gear garage door to electric operation, you will require a bow arm conversion kit to allow the door to open and close smoothly.

CLGDC0034 Hormann	Hormann Vertical Steel Up & Over	Retractable Framed	7'0"	7'0"	£320.00	Black powdercoat	New	1
-------------------	--	-----------------------	------	------	---------	---------------------	-----	---

Intro.

Desc.RRP £714 : Our Price £320 NOTE: Despite white picture, door is actually black. This Hormann Vertical Up & Over garage door is a brand new door and is still in its protective wrapping. This door is installed with a handle. This means it is already suitable for manual operation however it can be upgraded to accommodate an electric operator for remote operation. For more details on adding electric operation to your garage door, please see the specifications tab on this page.
