

Steel panel doors

Garador steel garage doors offer excellent value for money. They are designed to provide you with maximum safety and security whilst ensuring years of reliable, trouble free service.

Whatever size of garage opening you have, it is certain we'll have a beautiful steel door to suit your requirements.

No matter whether you choose a panelled or ribbed design, standard white or coloured door or add a design handle – a Garador garage door adds beauty and value to your home.

Secured by Design

The Guardian range includes two door styles, which have been Secured by Design certified. Available with either canopy or retractable gearing, these doors have been designed and tested to the UK police standard to withstand an attack by a burglar.

Code for Sustainable Homes

The Garador Guardian range also qualifies for 2 points under the Code for Sustainable Homes, a national standard for use in the construction of new homes which encourages greater sustainability.

Steel panel doors

Ribbed door designs have a classical appearance and blend in with most homes. Their tough and sturdy precision engineered construction offers maximum durability and timeless kerb appeal. Our Wentwood and Sherwood designs offer the natural appearance of timber whilst retaining all the cost and maintenance advantages of a steel door. The foil-coating provides this by giving the rivet-free door leaf an ultra-fine textured surface with a realistic woodgrain appearance.
