

GARADOR
The Garage Door People

The Garador Range Spares Catalogue

June 2017 Up & Over Doors, Side-Hinged Doors and Operators

General Information

All prices are quoted in £ Sterling, ex-works and exclusive of VAT.

All orders for spares will be subject to a minimum P&P charge, please check cost when ordering. All items are listed and priced as single items unless specified.

Please ensure that you order the correct component for your specific door, parts ordered incorrectly will be subject to a restocking charge if being returned. For handing of component, the door should be viewed from the inside, looking at the back of the panel. Please contact Garador on 01935 443722 if you need assistance in identifying the correct part.

Since the company's policy is one of continuous improvement of its products, we reserve the right to make any alterations in design, manufacture or price.

All business is governed by the Company's Standard Conditions and this document does not form any part of any contract with the company and statements contained in it should not be construed as representations or warranties.

GARADOR *Warranty*

Warranty

Garador products are manufactured to the highest quality standards and leave our factory only after rigorous quality testing. However, if you should have grounds for complaint, this section tells you what our door warranty offers, and how to go about making your claim.

Warranty Period

The purchaser is granted a warranty covering the safe and reliable function of the Garador garage door for a period of 10 years from the date of purchase. A 5 year warranty applies to springs, wire cables, track rollers, hinges and guide rollers. The warranty period for replacement parts is 12 months or to the end of your existing warranty period on the door, whichever is longer.

In the case of foil-coated timber effect and PVC doors, a warranty of 5 years is granted, for timber and GRP doors a warranty of 2 years is granted on the door panels alone under the terms and conditions specified herein. The door mechanism and steel frame (if applicable) is covered by the 10 year warranty period.

Performance

During the warranty period we will replace any and all defective parts which can be proved to be attributed to a material or manufacturing fault. We do not accept costs for dismantling and installation nor for carriage.

Requirements

Warranty claims are only applicable in the country where the parts are purchased. The parts must have been purchased through our authorised distribution channels. The warranty only covers damage to the contract object.

Garador Installers

Installing of replacement parts can be dangerous and lead to further problems. We would always recommend installation of any replacement part to be carried out by a Recommended Garador Installer. For further details please call us on 01935 443722 or refer to the Garador website.
