

The Simplicity 6

Technical Details

Size:

Width - Up to 3.1m

Length - Unlimited

Materials:

Main Frame - Aluminium

Roof Bars - Aluminium

Posts - Aluminium

Guttering - Aluminium

Roof Sheets - 6mm toughened, self cleaning glass or 6mm solid polycarbonate

Colour Options:

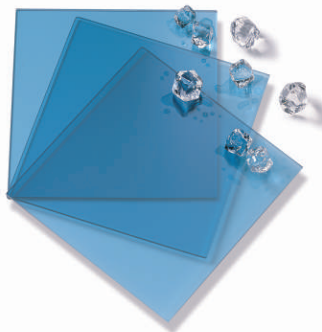

The main frame, roof bars, guttering & posts are supplied in white as standard, yet they can be powder coated to meet any RAL or BS colour. Designer Finishes are also available including metallic gold, black marble, woodgrain and neon colours.

The Simplicity 6 is a stylish veranda, canopy and carport system that is covered with a choice of 6mm thick self cleaning toughened glass or 6mm solid polycarbonate roof panels. This structure has been introduced to offer our customers a high-end veranda solution using the best possible materials.

We work in partnership with the UK's leading glass manufacturer Pilkington so that we can offer you a choice of glass or polycarbonate roof options.

The frame is constructed from strong aluminium sections that can be powder coated to any RAL colour, BS colour or any of our Designer Finishes.

The Simplicity 6

Features & Benefits:

- **Covered with UV Activated Self Cleaning Glass** – The glass roof sheets have a UV activated special coating that is applied during manufacture that breaks down organic dirt which is then washed away by the rain.
- **6mm Solid Polycarbonate** - Can be covered with 6mm solid polycarbonate roof panels for a cost effective alternative to glass
- **Victorian Upgrade** – The simplicity 6 is available with the Victorian Upgrade. This enhances your structure with a decorative design, perfect for traditional buildings.
- **Low Maintenance** – Due to the self cleaning glass, less cleaning is required.
- **Toughened Glass** – The glass is toughened during manufacturing and achieves Class 1 BS EN 12600 for impact performance.
- **High Light Transmittance** – The self cleaning glass offers high light transmittance and is almost indistinguishable from regular glass.
- **Temperature Control** – The unique blue tint keeps the temperature under the canopy cool whilst still letting through excellent light transmittance.
- **Available Sizes** - Up to 3.1m width and an unlimited length.
- **Simple Fixing System with Minimal Parts** – For a simple and speedy installation
- **Low profile** – The Simplicity 6 can be fitted in height restricted areas
- **Integral Aluminium Guttering** – Creates a sleek, modern design which is stronger than external guttering systems and saves time on installation.
- **Wide Range of Colour Options** – The aluminium frame can be finished to any BS, RAL colour or any of our Designer Finishes.
- **Full 10 Year Guarantee** – The Simplicity 6 is supplied with a full 10year guarantee and a 25 year life expectancy for the canopy frame
